Elegant Duplex with Lake Views in Collina d'Oro

Located on two levels with an internal glass staircase, the apartment offers 185 sqm of living space and a 340 sqm outdoor area, with tiled terrace and two gardens. Renovated and upgraded in 2020, it features high-quality materials such as marble and parquet flooring. The living area is designed as an open space, including a living room, dining area and a modern stainless steel kitchen with an island.

The night area consists of a master bedroom, two additional bedrooms (one at the lower level), three bathrooms (the master ensuite with jacuzzi bathtub) and a laundry room with storage. The lower ground floor features a separate entrance and can be configured as an independent studio apartment or staff quarters.

Exterior Design

Villa Mirabilis is part of an exclusive and elegant residential complex designed for discerning residents. With timeless architecture and meticulous upkeep, the building is a testament to understated luxury. What truly sets it apart, however, is its private garden—a rare privilege in a small block of flats. This unique outdoor space enhances the sense of seclusion and offers a peaceful escape in the heart of Lugano.

Exterior features	
Stone façade, renovated 2024	Safe refuge with blast proof door and segregated air system
Main entrance electric door, with 5 guest parking spaces	Side entrance electric door to underground garage
Concierge service	showers and rest room
CCTV in all public spaces and garages	Out-of-ground cellars with metal doors
Large communal garden with pedestrian access to the side street towards City Center	Large sports center with indoor heated pool, gym with Technogym equipment, sauna, Turkish bath, showers and rest room

The interiors

The interior is finely furnished, with Italian elements and bespoke joinery units. A high chair by Giorgetti and a sofa by Cassina represent the main items in the living room. The space is efficiently divided in three areas: living room, dining space and a stainless steel bespoke open kitchen.

The night area features a master bedroom on creamy tones, with a leather bed and a bespoke wardrobe. The second bedroom is available in two configurations: children's room with 2 beds and desk, or study with a him-her bespoke wardrobe. The lower ground room can also be configured as bedroom or study according to need. All three bathrooms are designed by Italian architects with bespoke tiling.

The exterior of the night area features a long terrace overlooking the internal garden and the sports center. The terrace is in stone and glass, complete of electric sun curtains.

The Garden

The private garden is one of Villa Mirabilis' most distinctive features. Spanning 340 m², it offers an expansive outdoor sanctuary rarely found in similar properties. Surrounded by lush landscaping, the garden provides ample space for relaxation, family gatherings, or quiet reflection. A four-seat Jacuzzi, conveniently positioned outdoors, adds an extra touch of indulgence—perfect for unwinding under the open sky. Whether enjoying a morning coffee under the trees or hosting an elegant al fresco dinner, this garden is a true extension of the home's luxurious lifestyle.
